Dance Stories Assignment
Dance is often used to tell different stories and to convey important messages or themes. For this Dance Stories assignment, you will create a multimedia dance piece that tells a story about addiction.  Group Element:  In your dance group, you will plan, choreograph and perform a dance that tells the story of addiction. Your dance must include:
<ul> <li>□ A plan that explains the elements of dance you will use and how it will communicate your message (Due:</li></ul>
Independent Element: Independently, you will complete:
<ul> <li>1) A personal reflection (1-2 paragraphs) discussing:         <ul> <li>how your dance demonstrates addiction, the reasons for addiction, and consequences of/ ways to help overcome addiction</li> <li>the multimedia elements you used and why these helped to enhance the story of your dance</li> <li>the reasons why you chose this song, type of dance and choreography, and how these choices helped to convey your theme</li> <li>how different audiences might react to your dance and why</li> </ul> </li> <li>2) An audience critique (you will receive a handout for this) discussing:         <ul> <li>strengths and areas for growth of fellow dancers</li> <li>the elements of dance used in fellow dancers' pieces and how they helped to</li> </ul> </li> </ul>

• the way that their multimedia elements affected their piece

enhance the message
